

You're The One For Me

Benjamin Taylor CNMNE (ASCAP)

You're the one for me
The one for me
I was looking around like there's somebody else
But there's none for me

You're the one I want
You're the one, believe me
Been staying away to stop dreaming of you but it's not so easy, girl

**The times you made me cry
The tears only made me blind
Till I can't see leaving you behind
You're the one for me**

You're the one for me
The one for me
Keep on putting me down if want but you know that you run to me
You're the one I love, you're the one I need
You keep running around that the life that I'm living is done with me, girl

**The times you made me cry
The tears only made me blind
Till I can't see leaving you behind
You're the one for me
You're the one for me**

You're the only one I need
Only one that I want to see
But you turn me around, now I'm smiling again
And then you're off on your way with my best friend

But I'm the one you needed
The one you've been wanting
All by yourself or with anyone else that you get so lonely

You're the one who freed me
The one who called me
There's a million fish in the sea but you know that I love you only, girl

**The times you made me cry
The tears only made me blind
Till I can't see leaving you behind
You're the one for me
You're the one for me
You're the one for me**
